Reference: Amended 12 Day Pre-Primary Election Report (7/1/08-8/17/08)

To Whom It May Concern:

Our committee is in receipt of the Commission's letter regarding the above referenced report. Please see below for our complete response. If you need any further information, please do not hesitate to contact us.

Our committee does have in place a system that meets the best efforts standard established by the Commission. All of our original solicitations have the request for employer and occupation information on them. We inform the potential donor that we are required by federal law to request this information. For the donors that do not provide that information, we automatically send them a written request for it within 30 days. This follow up does not request any additional monies and contains a self addressed envelope and again informs the person of the federal requirement for requesting this information. Finally, we add the new information to our database and include it going forward.

The high percentage of our itemized donors for which we have reported this information demonstrates the effectiveness of our system. Since our last report we did learn the full first name of one of our donors where previously we only reported their initials. H.E. Storer is Hubert Storer.

We trust this response is sufficient and completes the public record. Thank you for the opportunity to respond.

Sincerely,

Fleming for Congress
